WELCOME TO OCTOBER

We are currently selling Butter Braids and you are doing an amazing job! Currently, we have sold 132 butter braids. I know there was some confusion on the due date. The order forms are due on **October 1, 2018 with money**. They will be delivered on October 24. So, please be prepared to pick them up that day. Let us know if someone else will be picking them up.

Our dance has been moved to **October 5 from 6pm to 8pm**. No drop offs allowed. Price is \$8 per family and that includes popcorn, and drinks. Please bring your Belview Bees reusable water bottle and be placed in a drawing for a FREE T-shirt!

By becoming members, attending events, and fundraising, you are helping every child in our school. Membership is \$5 per person, or \$8 for a couple, and a membership form is attached to the back of this newsletter.

We are on Facebook! Like our page ([Belview Elementary School PTA](#)) to keep up to date with upcoming events, how fundraisers are going, and what we are doing for you, our community and most importantly, our Bees. If you want to connect with us, please email us at belviewbeespta@gmail.com.

Please keep reading to find out more about our current fundraisers and our yearlong fundraisers, such as Amazon Smile, Shelor Raffle Tickets, and much more! You can always volunteer and do not have to be a PTA member, but we love to have your support.

Thanks for supporting the PTA! We look forward to you being at the dance on October 5!

Respectfully,

Lori Roop, PTA President

I hope everyone had a restful summer and has had a great start to a new school year. For those of you who do not know me, my name is Robin Hylton and this is my 13th year as the nurse at Belview. Thank you those of you who donated various items to the clinic. Your generosity is greatly appreciated.

State mandated screenings are complete. If your child did not pass the school screening, a note was sent home informing you that he/she will require an additional evaluation by his/her doctor. Please contact me if you have any questions.

Flu season is just around the corner. Flu vaccinations will be provided by the Montgomery County Health Department on November 2, 2018. This is only for those students who previously turned in a form. No late forms can be accepted. Please remind your child to cover their coughs and sneezes, and practice good hand washing. If your child has temperature of 100.4 or greater, they will need to be kept home until fever free for 24 hours without the use of medication. This helps prevent the spread of illness throughout the school. As always if you have any questions or concerns please contact me.
